

Be a Sweetheart and Join the PTA!

Have you joined Mill Creek Intermediate PTA yet? We are promoting our "Be a Sweetheart and Join the PTA" campaign during the month of February.

The class with the most PTA memberships purchased during the month of February will receive a FRUIT KABOB PARTY!

Congratulations to the winners of our Fall Membership campaign that won a pizza party!

Mrs. Heath's 4th grade class
Ms. Higgin's 5th grade class

What a fun way to be healthy and support the PTA and February's American Heart Month!

Remember, joining PTA doesn't require you to attend every meeting or require participation in every PTA activity. Your level of participation is up to you! Let's start with joining PTA, you have nothing to lose.....but your children have a lot to gain!

Please fill out the information below for each person wanting to join PTA and return to school along with the membership fee per person. **The cost is \$4.00 per membership.** PTA is open to parents, guardians, grandparents, or anyone that wants to support our school and our children. By joining, you will receive updates on PTA and school activities and earn voting privileges on PTA decisions throughout the school year. Membership cards will be returned to you after we receive this completed application. Thank you for supporting our students!
