Cold-Mount® Double Release Adhesive

Double Release Adhesive

Double Release Adhesive is a very thin clear plastic coated on both faces with a smooth clear permanent pH neutral adhesive. Both sides are protected with a heavy poly coated paper release liner. This is an excellent choice for general mounting tasks. It is well adapted to center-mounting prints and graphics on larger matte boards.

Cold-Mount® Pressure Sensitive Overlam

Pressure Sensitive Overlam Rolls

Smooth Laminates

Coda, Inc. offers several smooth Overlams. Glossy Overlam provides a high gloss surface. Lustre Overlam is a semi-gloss laminate that breaks the heavy reflections that a glossy surface creates in a high key situation. Matte Overlam provides a very dull surface that eliminates reflection on the print surface. It also diffuses the image providing a "soft focus" effect. Elam is a smooth semi-gloss laminate designed to write on with dry erase markers. The marker ink wipes clean without leaving a "ghost" image behind.

Item	Size	1 - 9 Rolls		10+ Rolls	
		Per Roll	Sq. Ft.	Per Roll	Sq. Ft.
Glossy (Poly) Polyester Overlam has an extra smooth plastic release liner which provides a smoother high gloss finish than our Glossy (Paper) Overlam.

Coda ThermaPro Thermal Laminates

ThermaPro Glossy (Heat Activated)

Coda's Heat Activated ThermaPro Laminates are manufactured with the highest graphics arts grade films. They are all made with high clarity films to enhance your images as well as provide them with complete protection from environmental moisture and uv light. They are engineered to activate at 185 degrees F. This low melt point is compatible with virtually all of today's demanding digital media.

All Thermal rolls are provided on 3" ID cores. We can provide these films in widths and lengths not listed on this these pages. In addition, we can slit these rolls to custom widths. There is no charge on the first slit in a roll. Each additional slit is \$3.00.

Cold-Mount® Adhesive Coated Boards

Pressure Sensitive Adhesive Coated

Styrene .040"

This is a .040" (about 3/64" thick) white plastic sheet coated on one side with Cold-Mount® permanent pressure sensitive adhesive. This is a very smooth board. It is not hydroscopic and is not affected by changes in moisture. Changes in humidity will not cause warping.

Cold-Mount® Adhesive Coated Boards

Pressure Sensitive Adhesive Coated

Black Styrene .040"

This is a .040" (about 3/64" thick) black plastic sheet coated on one side with Cold-Mount® permanent pressure sensitive adhesive. This is a very smooth board. It is not hydroscopic and is not affected by changes in moisture. Changes in humidity will not cause warping.

Item Num	Size	1-24/ea	25-49/ea	50-99/ea	100-499/ea	500+/ea

Pressure Sensitive Adhesive Coated

Black Styrene .080"

This black plastic mount is .080" (just under 3/32") thick. It is more rigid than the thinner .040" thick styrene boards.

Cold-Mount® Adhesive Coated Boards

Pressure Sensitive Adhesive Coated

Hardboard 1/8"

Hardboard is a 1/8" thick wood product with two smooth tempered surfaces. Both smooth and heavy, it provides a substantial "feel". It is extremely durable. If cutting is required we recommend using a high speed power saw.

Cold-Mount® Adhesive Coated Boards

Pressure Sensitive Adhesive Coated

Foam Core 3/16"

This is standard 3/16" thick foam core mount. Lightweight and very easy to trim, it is suitable for mounting small and large prints. Fairly soft and easy to compress, it is more fragile than other mount boards in the Cold-Mount® line.

Pressure Sensitive Adhesive Coated

Foam Core 1/8"

This is a thin 1/8" thick foam core mount. It is extremely lightweight and very easy to trim. It is suitable for mounting small and large prints. Slightly more fragile than Foam Core 3/16" thick, it is suitable in applications where a print must be inserted in a frame or molding with limited clearance.

Cold-Mount® Adhesive Coated Boards

Pressure Sensitive Adhesive Coated

Single Weight

This is a 40 point (approximately 1/16" thick) cardboard mount. It is suitable for mounting smaller prints. Because it is a fiber based board it is affected by changes in moisture content and may warp or bow in larger sizes or in situations where there may be large changes in humidity. This board is not available in sizes larger than 20"x24".

Item Num	Size	1-24/ea	25-49/ea	50-99/ea	100-499/ea	500+/ea

Pressure Sensitive Adhesive Coated

Double Weight

This is an 80 point (approximately 1/8" thick) cardboard mount. It is suitable for mounting smaller prints. Because it is a fiber based board it is affected by changes in moisture content and may warp or bow in larger sizes or in situations where there may be large changes in humidity. This board is not available in sizes larger than 20" x 24".

Terms and Conditions

- Terms:** Prices and specifications subject to change without notice. Net 30 days date shipped with establishment of commercial account. Visa and Master Card accepted. **Minimum Order: \$75.00**
- Shipping:** All orders shipped FOB point of origin. Boards 30" x 40" and larger may not be shipped by UPS. Inspect all shipments immediately on receipt. Check carefully for any problems, including concealed damage. Never sign a clear delivery receipt if any damage is evident. All items are provided to carrier in good condition. If damage occurs during shipping retain all packaging and contents and notify carrier immediately for inspection and claim. Any claims shall be between customer and carrier. Coda, Inc. cannot guarantee transit time once an order ships. If you have a "need by" time let us know and we will provide you with options to meet your deadline.
- Custom Boards:** In addition to a wide selection of standard sizes available, Coda, Inc. can provide all boards and mounts in special sizes. There is a \$20.00 set up fee per special size. If a special size is close to a standard size, pricing on the next larger size applies. Special pricing may be calculated if the size and quantity requested can provide a better yeild than cutting down next larger size. We reserve the right to overship up to 10% on quantity orderes for custom sizes (this does not apply to Standouts and Mural Mounts). A deposit may be required.
- Custom Rolls:** Rolls are available in the widths listed in this price sheet. All rolls may be slit to custom widths and lengths. The first slit is included at no charge, each additional slit is \$3.00.
- Returns:** You must obtain a Material Return Authorization number (MRA) before returning any materials. Items returned without an MRA will not be accepted. All items returned are subject to a 15% restocking charge. Custom materials may not be returned. Once work has begun on any custom material it cannot be returned. **No materials can be returned after 90 days.**
- Notice:** Manufacturer's only obligation shall be to replace such quantity of product proved to be defective. User shall determine suitability of the product for the intended use, and assume all risk and liability in connection herewith.
