A Word from the Chair

Dear Friends,

On behalf of Austin Cops for Charities, I am pleased to present this report on the organization's 2009 initiatives and accomplishments.

Austin Cops for Charities continues to strive to help provide assistance in the areas of health and welfare, education, youth development and help provide aid and emergency support to our fellow Austin Police Officers and their families in times of need.

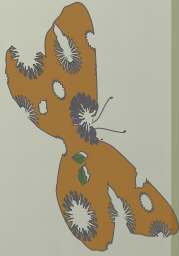

Austin Cops for Charities would not be able to accomplish all that it does without all of our members and supporters who share our vision for enhancing community relations with Austin Police Officers and our local community and aiding our fellow officers in their time of need.

Thanks to all of our Austin Cops for Charities members who have pledged their monthly contributions through their City Payroll. Their contributions are invaluable in helping our organization provide aid and support to our officers and our community.

Sincerely,
Wuthipong Tantaksinanukij, Chairman

Supporting Organizations

Austin Police Association
Austin Police Women's Association
Texas Peace Officers Association
Amigos En Azul
Austin Retired Police Officers Association

In 2006, the Austin Police Association Board of Directors voted to help create a not-for-profit organization called "Austin Cops for Charities" in order to help Austin Police Officers find ways to give back to the community they serve and to assist fellow officers and their families in times of emergency needs.

In 2008 the Austin Police Association contributed \$20,000.00 seed money to help Austin Cops for Charities devote its energy early on to finding ways to support their mission without worrying constantly about raising money.

The Austin Police Association continues to support Austin Cops for Charities efforts with ongoing membership drives and continued efforts to seek community partners and sponsors to support the organization's mission.

In 2009 the Austin Police Association, the Austin Police Women's Association, the Texas Peace Officers Association, Amigos En Azul and the Austin Retired Police Officers Association coordinated efforts with Austin Cops for Charities to help raise funds to help APD Officer Manuel Garcia install a wheelchair lift into the SUV that his daughter needs to travel. His daughter was involved in a tragic car accident that left her a paraplegic.

With their help Austin Cops for Charities succeeded in raising the funds needed to help Officer Garcia.
